Strawberry Warming Massage Oil

Amazing strawberry flavoured massage oil that heats as you massage.

Codes:
T2010

Product specifications

125ml.

Product benefits

It is truly amazing and a lot of fun.
Product warms and tastes very nice too!

Care instructions:

Replace lid tightly when not in use.

Demonstration tips

A MUST for your kit. This best selling massage oil is truly amazing. Place a small drop of oil on the back of each guest's hand, tell them to gently rub it in; they will start to feel the warmth, then direct them to gently blow on their hand. The oil will become very hot. They can then lick it off!! When they realise that it is totally edible and tastes fantastic, their minds will start ticking as to the multitude of uses!!

PASH®

Kissaholic Lip Gloss

Revolutionary aphrodisiac plumping lip gloss.

Codes:
1.Tremble – R8612
2. Swoon – R8611
3. Shiver - R8610

Product specifications

Kissaholic is a revolutionary aphrodisiac plumping lip gloss.

This high-shine, non-tacky, plumping gloss softens lips with shea butter and vitamin E, while plumping ingredients ginger root oil and chilli fruit extract increase lip volume for a fuller, sexier, more kissable pout. Paraben and lanolin-free.

Product benefits

Feed your kiss addiction with Kissaholic, a revolutionary aphrodisiac plumping lip gloss made by Booty Parlor - a favourite brand of Hollywood stars.

This double-duty beauty product is infused with an exotic blend of aphrodisiac ingredients designed to inspire desire, including Ginkgo Biloba, Ginger, Passion Flower, Damiana, Muira Puama and Phenylethylamine- also known as the 'Molecule of Love'!

Available in 3 sheer, universally flattering shades to make your lips glistening and gorgeous. Play with the colours!
- SHIVER: sheer pinky coral / sugared pear
- SWOON: sheer deep berry / blackberry honey
- TREMBLE: sheer sparkling pink / frosted peppermint

Care instructions:

Replace lid tightly when not in use. Store in a cool dry place

Demonstration tips

Smear onto tester stick and encourage guests to apply to lips. They will feel the tingling effect on their lips, this produces the plumping effect. Explain that this is a cost effective way to create a bit of Hollywood glamour everyday.

PASH®

Booty Parlor Massage Candle

Deliciously devine candle that melts and can then be used to massage in exotic sandlewood fragrance.

Codes:
R9601

Product specifications

This emollient massage candle is made of a rich blend of shea butter, vitamins A & E, jojoba, olive and coconut oils and clean-burning natural soy wax.

The Don't Stop Massage Candle is a contained in a custom, ergonomic porcelain designed vessel. It features a uniquely tapered pour spout, which can be used to pour the warm oil directly onto the body or into the hands.

The candle is decorated with a removable black & pink ribbon-bow, which we recommend removing before usage to keep it pristine, and comes with a porcelain coaster that can be used to protect the candle or the surfaces it sits on.

Product benefits

Don't Stop 'til you get enough...
Set the scene for seduction with the glow of this luxurious candle and let the thrilling aphrodisiac fragrance arouse your senses. When you're ready to play, blow out the flame and drizzle the warm oil onto bare skin for a uniquely intimate, exciting massage experience.

Because of its unique formulation, the Don't Stop Massage Candle melts at just over body temperature, which makes it comfortably warm on the skin. The all-natural oils feel deliciously rich when massaged into the body and then simply soak into the skin, leaving a silky, soft feeling.

The Don't Stop Massage Candle is the perfect bedroom accessory to explore the classic "hot wax fantasy" in a thrilling, sensual and safe way. The luxurious oils can also be used as a soothing and nourishing post-bath moisturizing treatment.

Demonstration tips

Light candle before the party starts. Demonstrate by pouring a small amount of the melted wax onto the back of the hand or wrist of each guest instructing them to gently rub the soy wax into the skin. This is an amazing product - a must have for every boudoir!

Care instructions:

When you first light the candle allow to burn until wax pools and melts to outer edge of the container. Trim wick after use, this way you will ensure that you get max burn from your candle. Wait until wax has solidified before storing. Store in a cool place.

PASH®

Gigi Corset

Sophisticated long suspender bustier with black and gold net lace embroidered detail. With matching Gee.

Codes:
S: C24022
M: C24024
L: C24026
XL: C24027
XXL: C24028

Care instructions:

Hand wash or delicate machine wash in a lingerie bag.

Product specifications

Adjustable and removable shoulder straps. Moulded underwire cups. Eyelet fastening back and ribbon lace up front.

Product benefits

The ruffles at the bottom disguise hips and tummy. Removable shoulder straps give versatility and lace up front enables women with a bigger bust to open slightly for more room.

Demonstration tips

This is definitely one that you need to have in your kit to show off to everyone at your parties. It is a best seller, and for good reason. They have thought of everything here, it's longer to hide more, the gold detail takes away the focus from your tummy, the straps come off for a different look and the bust is of generous sizing.

PASH®

Caprice Corset

Figure shaping boned and lined oriental silk corset. With black stretch lace boy leg brief and suspender straps.

Codes:

S: C2942
M: C2944
L: C2946

Product specifications

Front metal clasp fasteners and lace up back. Comes with black lace boy leg knickers.

Product benefits

Figure shaping and built to last. Gorgeous shiny hot pink silk fabric will turn heads. Versatile, removable suspender straps. Front metal clasps easy to use. Shape does not suit small busts.

Demonstration tips

Like with all the boned shorter corsets, explain that you will get that sought after hour glass look. The lace up back ensures this by tying in the centre of the back. They are the perfect accessory for a night out on the town with a jacket or in the bedroom as they give you a fantastic waist and cleavage. Don't forget to mention the knickers and suspender straps that are included.

Care instructions:

Dry clean only.

Lelo Luna

Pink pleasure bead system. Combined pleasure and fitness system that work your pelvic floor muscles.

Codes:
L4050

Product specifications

Contains 2 x 28 gram balls, 2 x 37 gram balls and a silicone girdle. Made by Lelo.

Product benefits

Makes you do your pelvic floor (kegel) exercises without even realising. Comes with a 1 year warranty. Comes with a gift box and satin pouch.

Demonstration tips

With the Luna Balls and the Smartballs, people need an explanation. It is something that affects most women but we never talk about it, our weak pelvic floor muscles. These products are a must have after childbirth when these muscles get stretched. Without realising, your body will do these exercises while you have these balls inserted. Not only for after childbirth though, they are great for every woman who wants increased intensity in their orgasms. The better your muscles, the better your orgasm!! Start with one ball, and then move on to two balls. Once you are confident with this replace one ball with a heavier ball and work up to the two heavy balls. More of a program than the Smartballs and this is appealing to those who have fairly damaged muscles or are nervous of the size of Smartballs.

PASH®

Care instructions:
Clean with love toy cleaner after use.
Store in box and bag when not in use.

Lelo Nea

A delicate and silent intimate massager. Blends with the natural curves of your body for clitoral massage.

We-Vibe II

The worlds most sought after love toy which is used during love making.

Codes:
L1421

Product specifications

Rechargeable. 2 hours of play on a single charge. Nine thrilling vibration modes. Soft, flexible, comfortable.
The We-Vibe II is a small, soft, c-shaped stimulator that cleverly conforms to the female shape, making it extremely comfortable to wear and very easy to use. Powered by two small, yet extremely powerful motors which have been perfectly positioned so that when in place, the We-Vibe II simultaneously hugs the clitoris and g-spot, making it ideal for direct stimulation during solo play. Comes with charger and love toy storage bag.

Product benefits

A Love Toy a woman wears during sexual intercourse to provide her with clitoral & Gspot stimulation. The male partner feels bigger & both partners are given added stimulation.

When worn during intercourse or used with another love toy, the extra internal pressure produces harmonic waves of stimulation, with vibrating motors changing rhythm to match lovemaking.
Designed with a woman in mind, and with intuitive, easy to find, push button control, a new intelligent battery, a new automatic shut-off and charge indicator, and a new mode memory, the We-Vibe II is truly the world's most innovative toy on the market today!

Delightfully discreet in size, it makes the perfect travel companion, packing all the punch of a much larger vibe into a neat little package. It's conveniently rechargeable and completely waterproof.

Demonstration tips

This is the NUMBER 1 selling toy in the world, every girl should have one if not two! When demonstrating the We-Vibe 11 bend and stretch the toy to show guests how soft and flexible it is. Make sure you pass the toys around so that guest can have a sense of the love toy. The key to demonstrating this product is to remind everyone that it is primarily used during sex, so great for both participants.

Care instructions:

We recommend that you always use a good toy cleaner to ensure the toy stays hygienic. Store the toy in the provided love toy bag and box.

PASH®

Rock Chick Massager

Unique curved design and flexible silicone materials allows dual G-spot and clitoral stimulation.

Codes:
L1420

Product specifications

Takes 1 x N battery.

Product benefits

Great for anyone with latex sensitivity as it is high grade silicone. Waterproof.

Demonstration tips

When demonstrating the silicone toys, bend and stretch them. Show your guests how soft and flexible they are. Make sure you pass them around as the silicone composition is usually surprising to people. This design allows for both G-spot and clitoral stimulation.

People are usually puzzled by its design. Make it a game and if anyone can tell you what to do with it, give them a prize. The responses are hilarious. You may need to explain that you insert the curved end and rest the end that contains the bullet on your clitoris. It comes with an instructional DVD to show you all the things you can do with this very popular toy. Explain that if you remove the bullet, you can put it in the freezer to make the silicone cold or heat it in hot water. You can even clean it in the dish washer!!! This will also get some laughs. Splash Toy Cleaner combines Eucalyptus Essential Oil with a low range enzyme to amplify its effectiveness as a antibacterial cleaning agent and disinfectant. Eucalyptus Essential Oil is a natural antibacterial defense. Germs can become resistant against synthetic cleaners. Resistance does not develop against naturally-occurring substances like eucalyptus oil. Eucalyptus Essential Oil only kills BAD BACTERIA. Synthetic and bleach based antibacterial kill both bad and good bacteria. Allowing BAD BACTERIA to re-form and mutate into SUPER BUGS travelling easily between surfaces and onto humans.

Available in 125ml spray which provide less waste and more even coverage for customers.

Care instructions:

Store in a cool dry place.

Product benefits

Safe to use on all love toys. Antibacterial agents to ensure products are kept hygienic.

Demonstration tips

Before you talk about any Love Toys it is important to mention that keeping love toys hygienic is important. They should purchase a love toy cleaner if they have a love toy and this one is a great product for any love toy.

PASH®

Flower and Rocket Balm

All natural orgasm boosting genital balms for him and her.

Codes:
Flower Balm - N4001
Rocket Balm - N4501

Care instructions:

Replace lid tightly when not in use.

Product specifications

7 gram tin.

Product benefits

Increase your level of sensation, and stimulation!

Demonstration tips

The Love Balms are a top selling PASH product.

Flower Balm is a clitoral stimulant. Only a tiny amount is required. The menthol sensation makes the area extremely sensitive making it easier to orgasm. Rocket Balm has the same menthol sensation for men but numbs their genitals so they will 'last' longer. It restores balance - it slows him down and helps women get there quicker.

Use your taster sticks and invite each guest to take a trip to the toilet and try it. If you can manage to get everyone up and trying it, it leads to a hilarious half hour. Try to demonstrate just before the love toys for added benefit to your sales.
